The economic forecast in British Columbia continues to have a bright future with the highest increase in home, recreation & lifestyle products and services at its highest peak.

This show is specifically designed for the Log Home, Timber Frame, and Country Living industries. Lifestyle products and services are highlighted with a hot environment for manufacturers, dealers, wholesalers, and contractors, targeted directed at the thousands of consumers who will attend the show.

The show is strategically positioned in the heart of the strongest economy in British Columbia – Abbotsford.

Industry response has been tremendously positive from across the country, so we expect to have manufacturers from most Canadian provinces and some American states represented at the show. The venue that has been selected has everything that is needed for a successful show – 60,000 sq.ft. of Tradex at the Abbotsford airport.

With over 20 years of experience – We know we can deliver!

Square Feet Northwest Event Management Inc. has over 20 years of Trade, Consumer and Event experience. The 19th Annual BC Boat & Sportsmen's Show, Western Canada's largest, 7th annual BC Hunting Show and 14th annual Country Living Show who is the anchor feature of this event.

This show will be a perfect marketing opportunity for launching new products and services, showcasing Log Homes, Timber Frame homes and Country Living lifestyle products.

Whether you are an exhibitor or sponsor, you will be positioning yourself to win not only immediate sales, but also the customer loyalty that is key to long term success. No other form of advertising, no other event, not even the best business location, can bring you face – to – face with more buyers.
