

Free Climate Change Workshops

For Grade 5 and 6 Students

A fun, informative and engaging workshop providing students with a basic knowledge of the science of climate change with take home activities to encourage them to be part of the solution.

80 Minute Workshops Include:

- Animated Climate Change Show video
- Guided worksheets and discussion
- Interactive Climate Change Game
- The Climate Change Showdown, a four week-long contest in BC encouraging students and their families to reduce their greenhouse gas emissions.
- Pre and post-workshop materials for teachers

Curriculum Connected:
Science, Socials and CAPP

The Climate Change Showdown “provided our students with important information, and generated a great deal of excitement about creating the kind of future they desire as the citizens and leaders of tomorrow.”

— Central Middle School (Victoria)
Vice-Principal Ken Andrews
